

### Lakehead Amateur Radio Club

The February meeting of the Lakehead Amateur Radio Club was held in the Civil Defence Building on Waterloo Street. The meeting was convened at 8:20 pm with President Doc Tarnow - VE3FSE in the Chair. There were 16 members present.

The meeting commenced with the usual roll call, following this, the minutes of the last meeting were read and accepted.

The past month's correspondence was read and as a result of the letter from the Expo people, the Secretary Treasurer was asked to send a list of all paid up members requesting their cards.

It was mentioned by the president that the Search and Rescue people will be holding their monthly meeting on March 16, at 8:00 pm and the Club will be represented by Doc Tarnow - VE3FSE and Robert Browning - VE3EEM.

The radio room of VE3ZCD was found unlocked again by the Club President and the Secretary has been asked to write EMO and put our objections in an official way.

It was moved by Les Harris - VE3AYZ and seconded by Bill Klemacki - VE3EEW that Barrie Walker - VE3EES make a list of all the Club's assets in the shack and report to the next meeting.

On the matter of the Club's forthcoming transceiver, the members indicated that they wished to purchase the radio on their own without asking for outside donations, and that the Search and Rescue people donate the money for the DC power supply.

Frank Start - VE3AJ made an offer to purchase the plywood table belonging to the Club and presently being stored in his garage. The Club agreed to let it go for the price of \$10.00. Thank you Frank. The motion for this was made by Fred Lawrence - VE3EET and seconded by Bill Klemacki - VE3EEW. Carried.

The resignation of Barrie Walker - VE3EES was accepted. Barry has held the post of Hi-Q Editor for a considerable time, and wants to devote all his time to his studies. It was moved by Les Harris - VE3AYZ and seconded by Bill Roberts - VE3ARN that Bill Klemacki - VE3EEW fill the vacant post. Carried. And Bill has accepted the job. No assistants were elected at the time, and Bill is to let us know (*at the*) next meeting if he will need them. A hearty vote of thanks was voted to Barry for the good job he has done in the past.

A letter from Search and Rescue was read by Les Harris - VE3AYZ thanking those members who have previously taken part in Search and Rescue work.

The business portion of the meeting concluded at 9:00 pm.

9 February 1967

Following was a very interesting period conducted by Les Harris - VE3AYZ who gave us a talk on the operations of the DOT at the local airport and showed some truly excellent slides that he has taken during his career with the DOT. This was enjoyed by all, and we hope Les will show some more in the future.

A check with the bank has showed that the Club has approximately \$146.00 in the fund.

Signed:

Robert Browning - VE3EEM  
Secretary Treasurer
